Policy Statement

To provide guidelines for kaiako | teachers, whānau | family and akonga | students that support the establishment of secure attachment with a primary caregiving teacher at the Under 2s Unit, other than their parent/guardian.

Rationale

Kaiako in the Unit recognise that infant and toddlers thrive developmentally (emotionally, physically, socially and spiritually) when they develop a strong and stable

The primary caregiving teacher will welcome the child and family and work closely with them. The primary caregiving teacher will be responsible for all of the caregiving routines initially such as changing nappies, feeding and sleeping where possible.
