

Please note that it's UC's policy to send out targeted emails for a job only if it's advertised on [NZUni Talent](#).

We can only send out emails during term time. The area of study + year of study defines the quote.

: Choose _____ from the following:

Accounting & Finance

Arts

Business

Digital Screen

Education

Science

Speech & Language

Sports

Other courses/subjects

: Choose the year of study you want to target :

1 st year	\$100 + GST
2 nd year	\$100 + GST
3 rd year	\$100 + GST
4 th year	\$100 + GST
Masters (taught)	\$100 + GST
Masters (thesis)	\$100 + GST
PhD.	\$100 + GST

For eg. All first & second year business and arts students will cost: \$400 (1 year Business + 2-year Business + 1-year Arts + 2-year Arts).

For Engineering courses:

Choose the subject & the year of course. It costs

Eg. If you are looking at targeting mechanical and civil engineering students from year 2 - 4, it will cost:

Mechanical Engineering = \$300 + GST (year 2 + 3 + 4 i.e. $\$100 \times 3$)

Civil Engineering = \$300 + GST (year 2 + 3 + 4 i.e. $\$100 \times 3$)

Architectural Engineering	4 th year
Bioengineering	PhD.
Computer & Software Engineering	2,3,4 years
Chemical and Process Engineering	2,3,4 years, Masters & PhD.
Civil Engineering	2,3,4 years, Masters & PhD.
Construction Management	Masters
Electrical and Electronic Engineering	2,3, 4 years, Masters & PhD.
Earthquake Engineering	Masters & PhD.
Fire Engineering
