**Union: January 2021**

Dr Serena Kelly

Apart from Brexit articles, all but one of the political articles pertaining to the EU depicted the Union

roll-out. These negative charges came towards the end of January and used quotes from the World Health Organisation (WHO) to openly criticise EU policy. Arguably, introducing the opinion of the WHO

6

The biggest and most impactful news story in the New Zealand media concerning the EU in January 2021 was Prime Minister

article published on *Stuff*
